**Your family depends on you and your contributions.**

The job of the homemaker comes without a salary, benefits or paid vacation time. Is your role undervalued in the event you're unable to perform the household responsibilities?

At Ameritas, we recognize your contributions to your family and offer financial protection through Dnamic Fundamental.

**Dnamic Fundamental is a simple solution when life gets complicated.**

### How it works

It pays a lump-sum benefit if you become totally disabled due to sickness or injury. The disability needs to meet three criteria:

- It prevents you from working as a homemaker or any occupation for which you are reasonably suited based on your education, training and experience.
- The disability is expected to last at least one year.
- You must survive the disability for at least 30 days.
